

Library and
Knowledge
Service

4 FEBRUARY 2012

Want the books you loved to be read all over again? Bring them to our book drive! Better World Books will sell the books online with a portion of every sale benefitting our library and chosen literacy charity (Room to Read). You're not only being green by keeping books out of the landfill, you're also helping support literacy in your community!

Please donate only gently used books (no magazines, encyclopedias, law reviews, high school textbooks, readers digest condensed books, journals or legal documents)

Better World Books will sell the books online with a portion of every sale benefitting your organization. Any book not sold will be recycled responsibly or donated to a literacy charity

Book Drive to be held on:

Tuesday 31st January 2012 in the Dining Room at Clifton Hospital

Wednesday 1st February 2012 in Oliver's Restaurant BVH

Or bring them into the Education Centre Library at Victoria Hospital anytime.
