

The Royal Society of Medicine Press Journals

The Royal Society of Medicine Press is the publishing arm of The Royal Society of Medicine, a major international medical society with a multi-disciplinary and multi-professional membership.

RSM Press is recognised as one of the leading medical society publishers. We publish books and journals for multi-professionals in training and in practice, and for other healthcare professionals and academics in related fields. Our journals cover a wide range of topics, from sexual health and tropical medicine to telemedicine and medical screening.

Available online to **Primary Care** staff across the North West
(access via Athens, contact your local NHS library to register)
